

BERTRAMS HEATEC ENQUIRY SPECIFICATION

Fax to: +41 61 467 75 00

1 **Customer***..... **Phone***.....
 Address..... **Fax***.....
 Zip Code..... Place..... **E-Mail***.....

2 **Country of erection***.....

3 **Person in charge : technically***..... commercially.....

4 Industry..... Process..... Final product.....

5 **Status of project*** budget () preliminary () final ()

6 **Location*** outdoor () under cover () indoor ()

7 **Fired heater*** qty..... Electric heater qty.....

8 Execution horizontal () vertical burner downfired () / upfired ()

9 **Capacity***kW Required Efficiency.....%

10 Insulation yes () no () mounted () in loose parts ()

11 **Thermo fluid make and type***.....

12 **Thermo fluid temp.*** outlet.....°C inlet.....°C or flow rate.....m³/h

13 Burner yes () no () Preferred Vendor yes ().....
no ()

14 Control panel yes () no () Power switch with () without ()

15 Voltage motorV Voltage control.....V, 50 Hz / 60 Hz, 3 ph

16 **Fuels*** light oil () heavy oil () natural gas ()

Lower heating valuekcal/kgkcal/kgkcal/Nm³

Battery limit pressurebarbarmbar

Temperature°C°C°C

17 Ring main accessories for light / heavy oil yes () no ()

18 Circulation pump 1 piece () 2 pieces () pieces ()

19 Pressure drop at consumer's.....m.LC, including primary piping

20 Miscellaneous.....
.....

21 Remarks.....
.....
